A Helpful and Important Little BookBy Agatha ChristieAnyone looking for a clear, concise, and biblically-driven commentary on trials and suffering should purchase this book. We live in a fallen world, and our lives are often beset with physical suffering, emotional difficulty, relational problems, and financial uncertainty. As Christians, our trouble in this world may even increase because of our relationship with Jesus Christ. But the question we must ask is this: How do I deal with the trials in my life in a way that pleases God and is best for me? In this short yet insightful volume, Cliff McManis applies over 20 years of pastoral experience and careful study of Scripture to this vital question.
